Celebrating Business Week 2018

LEAD THE WAY

Welcome to Canadore College Business Week 2018. Business Week is a national celebration of Canadian entrepreneurs and their contribution to Canada's economy. The North Bay & District Chamber of Commerce has organized events to be held during the week bringing together entrepreneurs—and prospective entrepreneurs—at workshops, networking events, trade show and awards ceremony. The goal is to provide them with opportunities to learn, network, share ideas and socialize with their peers.

The week commenced on Tuesday morning at the Grande Event Centre, with a workshop put on by Yes Employment Services. The workshop highlighted the various Employment Ontario programs, that are available free of charge to employers when considering new hires. If your business is looking to train either existing or new staff, Yes Employment Services can also assist you through the Canada Ontario Job

Program. The day wrapped up at the East Ferris Community Centre where The Municipality of East Ferris launched its new Community Improvement Plan at its "Off the Clock" Business Networking Event.

This morning The Business Centre Nipissing Parry Sound hosted a networking session and panel discussion of local entrepreneurs. Tonight's Business After Hours and Mini-Trade Show is sponsored by Canadore College, at their partner's location Titanium Transportation on Birches Road from 4 to 7 pm. Yes, it is on a Wednesday, not our normal Thursdays that we do throughout the year.

Thursday's agenda moves to the Comfort Inn in Sturgeon Falls. The Business Centre NPS and representatives from Kennedy Insurance, Grant Thornton and X-Height Graphics will host "The Backbone of Business". Business insurance, tax and business services together with

branding and marketing will be the topics discussed. This will be of interest for both new and existing businesses. The session runs from 8:30 -11:30 a.m. and the event is free of charge for participants.

The annual celebration of business and entrepreneurs wraps up Thursday night, with the Bell Evening of Excellence Awards Ceremony. Activities will commence at 6:00 p.m. with a reception, followed by dinner/awards ceremony and will be hosted by The Grande Event Centre. Emcee for the evening will be Moose FM's morning man, Mike Monaghan and will recognize a variety of businesses and entrepreneurs, from across our district.

The North Bay & District Chamber of Commerce wants to thank the many sponsors and partners who continue to support this week, which celebrates the entrepreneurial spirit and business community. Without their support, events like this would not be possible. A sincere thanks from both the Board of Directors and staff, at the Chamber.

Peter Chirico is the President and CEO of the North Bay & District Chamber of Commerce.

To North Bay Chamber of Commerce,

You are invited to help kick off the Kettle Campaign once again this season. Please join us at Twiggs Coffee Roasters 473 Fraser St. **Friday November 16th at 12 noon.** (Coffee or hot chocolate is on us).

This year, The Salvation Army's Christmas Program will serve over 700 families in the North Bay area with Christmas hampers. And as always, funds raised here stay here for the people of our community.

This past year, we provided emergency food services to 3,220 individuals, 2,554 hot meals, 25 children were sent to camp, 3,907 school lunches were provided to local schools as well as many household supports and emergency respites were provided.

We thank you in advance for your ongoing support and look forward to seeing you.

bids&tenders

The City of North Bay is pleased to introduce bids&tenders™ as their new eProcurement platform and will be joining hundreds of other purchasing organizations in posting their bid opportunities exclusively on bids&tenders™. The City of North Bay will transition to using bids&tenders™ in two phases; starting November 6th as part of Phase 1, all bid opportunities will be posted on bids&tenders™ for viewing and downloading. Submission of bids will continue to be in-person and by mail courier.

Phase 2 Implementation in early 2019 features electronic submission of all bids. This provides the following additional features:

- Automated confirmation when your bid has been submitted, received, or withdrawn.
- Ability to work on a bid, save your work, and see the bid-closing countdown in real time.
- Ability to withdraw and change your bid, then resubmit if desired.
- Built-in calculator that does the math for you – no need to worry about math errors.
- Built-in compliancy checker – so you know your bid is compliant before you submit.
- Built-in reminders sent to you if a bid has been started but not submitted.
- 100% electronic submission.

To learn more or sign up for online on live demonstrations, please go to the Purchasing page on the city website:
